Re: *Montague v. Meyers*
Civil No. 1:00-CV-0895

MARY E. DIANDREA, CLERK
PER  DEPUTY CLERK

Dear Ms. Lewis:

Mr. Montague complains in the enclosed letter of being kept at SCI Camp Hill after his November 30 pretrial conference. There may well be a good explanation for the delay in his return to SCI Rockview. It is not, however, what any of us expected, I think, after the November 30 conference. Perhaps you can look into this.

Thank you.

Sincerely,

J. Andrew Smyser
Magistrate Judge
